

Frequently Asked Questions: Restoria Express for Men

Q. Is Express for Men Permanent?

A. Yes. Express for Men is a permanent hair colour; therefore the colour will last until it grows out.

Q. How do I know that I can trust Express for Men?

A. Restoria has been manufacturing anti-grey hair products for some 50 years. Every Restoria product has stood that test of time and has a loyal following worldwide.

Q. Can I use Express for Men on my moustache, sideburns and beard?

A. Yes, Express for Men can also be used safely and effectively on your moustache, beard or side burns.

Q. How long does the colour last?

A. As Express for Men is a permanent hair colour; it will not wash or fade out.

Q. Can Express for Men be used to touch-up grey regrowth?

A. Yes Express for Men is excellent for touching up your grey or white roots as they appear. The product tubes can easily be resealed so you can always leave a pack in the bathroom cupboard for any grey hairs that appear unexpectedly.

Q. Can I use Express for Men on previously coloured hair?

A. Yes you certainly can. If however you have been using a gradual anti-grey colourant, like Restoria Discreet Cream or Lotion, it is advisable that you shampoo your hair 2 or 3 times before you commence using Express for Men.

Q. Can I use Express for Men with styling or treatment products?

A. Yes. All styling and treatment products are fine to be used in conjunction with the Express for Men products.

Q. How long do I leave Express for Men on my hair?

A. As Express for Men is a fast-acting hair colour, for the first application you should only leave it on your hair for only a few minutes so that you can ascertain how the colour works with your unique hair type. Very fine or porous hair tends to take to colour faster than thick hair. You can control the depth of colour by how long you leave Express for Men on your hair.

Q. How do I apply Express for Men?

A. Express for Men hair dye comes in 2 resealable tubes with an applicator brush. Squeeze equal amounts of the product tubes on to the applicator brush and comb through hair. Wait 5 minutes, rinse and shampoo as usual.

Q. Can I reuse the leftover product?

A. Yes, the tubes are resealable making Express for Men is very economical.

Q. Will Express for Men stain clothes or skin?

A. Yes, as Express for Men is a permanent hair colour it can stain skin (temporarily) or clothes that it comes in contact with. Therefore we advise you to cover clothing and wipe off any excess colour from the skin, forehead, ears or neck. Stubborn stains can be removed by rubbing shampoo onto the skin.

Q. Is it a 'natural look'?

A. Express for Men achieves a very natural look as you can adjust the colour to suit your complexion.

Q. What if I have an allergy?

A. Please read the instruction leaflet and perform the allergy test described before you use the product.

Q. How frequently should I shampoo?

A. As often as you like. However, as some very harsh shampoos can fade the colour from your hair, we recommend the use of a gentle shampoo like Restoria ColourPlus Shampoo.

Q. How do I know what colour is best for me?

A. For the most natural results, always use a product one or two shades lighter than your original hair colour.

Q. Will people notice I have coloured my grey hair?

A. If you are not ready to advertise that you colour your hair, try colouring your hair on the same day that you have it trimmed, and no one will be the wiser.
